A MINORITY REPORT FROM THE WEST BANK AND GAZA

February 4, 2009 Posted by Scott at 7:13 AM

Khaled Abu Toameh is the outstanding Jerusalem Post reporter who specializes in the West Bank and Gaza. He began his career at one of Yasser Arafat's newspapers. I met him through the efforts of Fern Oppenheim on my trip to Israel as a guest of [America's Voices in Israel](#). Everything Toameh had to say to our group was incredibly interesting, but off the record.

Michael Totten met Toameh a few weeks ago on his trip to Israel sponsored by the American Jewish Committee. Toameh spoke on the record with Totten's group and Totten has posted a transcript of Toameh's remarks [here](#). They are worth reading in their entirety. Hudson New York has coincidentally posted Toameh's comments on "[the Jordan-Egypt option](#)."

THE TRUTH ABOUT INCOME TAXES!

The income tax is a lawful, Constitutional tax THAT SIMPLY DOES NOT APPLY to the earnings of most people. The tax code, statutory law, US Supreme Court rulings, and other relevant authorities say so in SPECIFIC CLEAR LANGUAGE. Knowing this, how the tax works, how it is misapplied, and knowing what can be done when it has been misapplied is the difference between being an exploited victim and being a sovereign citizen of the American republic; as the Founders of this great country designed and intended.
